FOREWORD

KAREN LEE BOSSERT

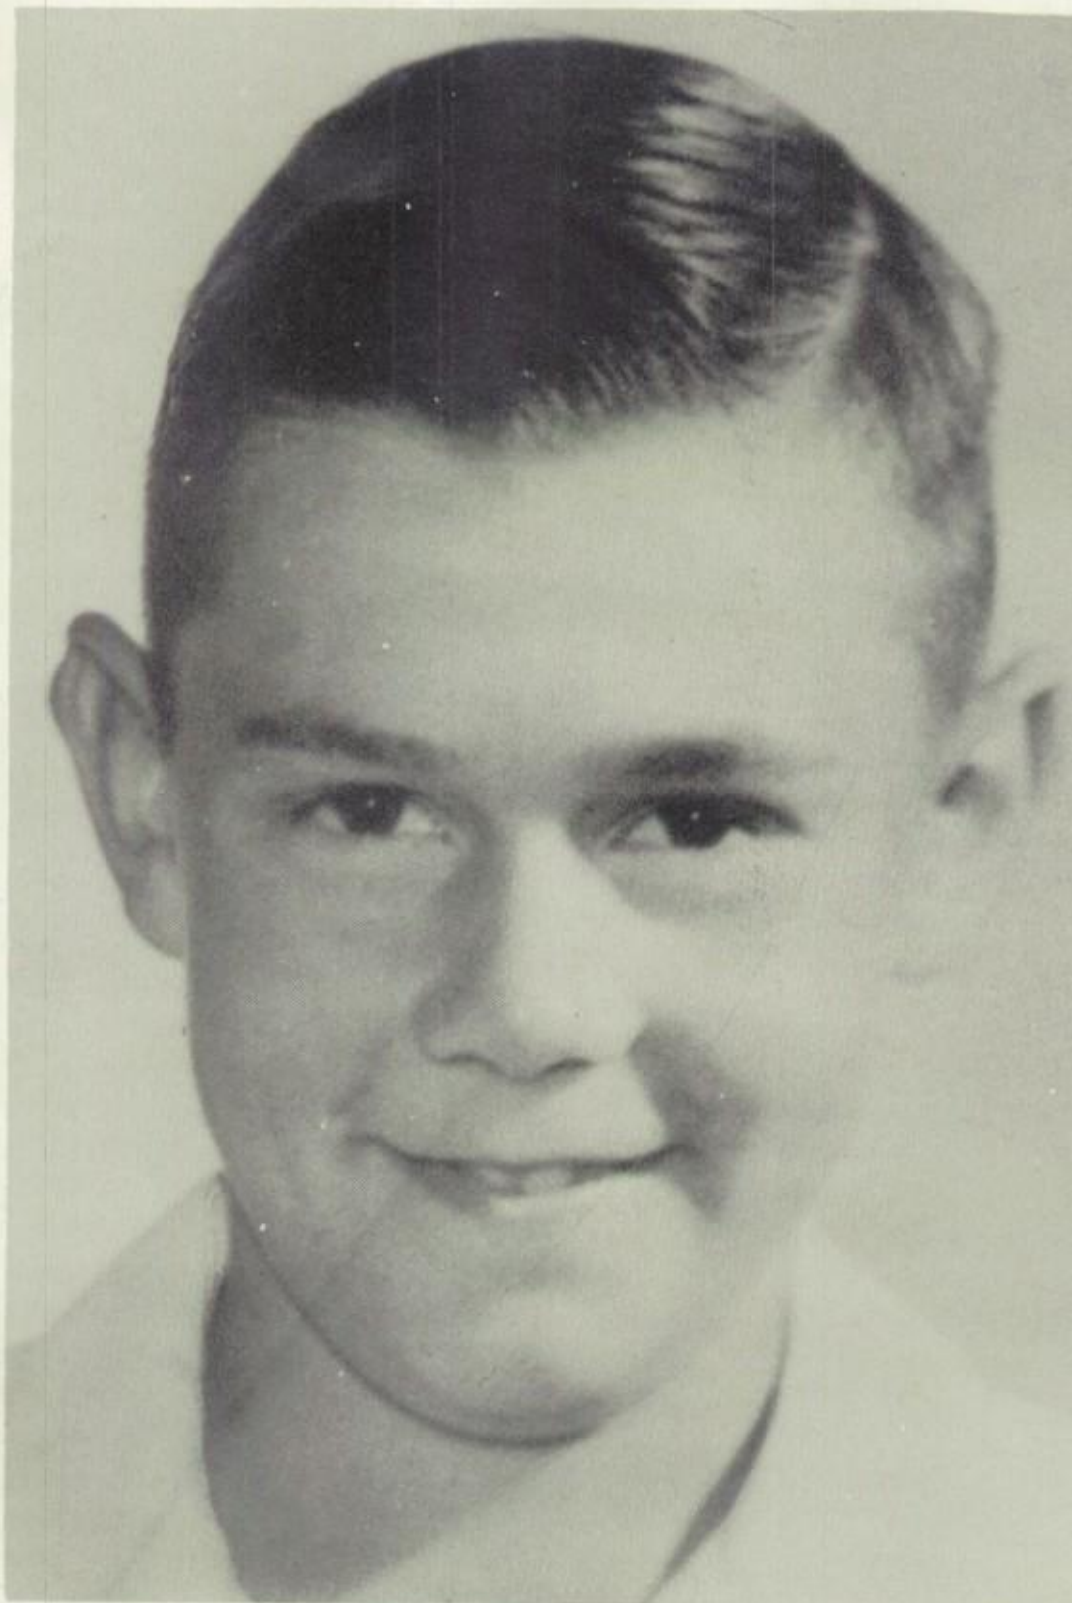

EDITOR'S MESSAGE

The staff and I have compiled this yearbook with the purpose of recording the activities and achievements of D.T.H.S. for the year 1956-1957.

I am grateful to my staff members for the co-operation and time that they have devoted to making this book a success. I would like to thank the faculty and my fellow students who were so patient on picture-taking days and who aided us in our search for subscribers and information.

As you glance through the carefully-planned pages of this book, I hope that you may recall all the happy memories of your activities and those of your friends and classmates. I hope that your "Rudder" will give you as many hours of pleasure as it has already given to me in its preparation.

DEDICATION

DAVID JOHN DIPPON

DEDICATION MESSAGE

We, the Rudder Staff of 1957, proudly and happily dedicate our yearbook to David John Dippon, who would have been a member of this graduating class.

He was the star center on the grade school basketball team and was active in many school activities.

Everyone who knew him was attracted to his friendly manner and to his casual grin.

His untimely passing on May 30, 1952, was deeply felt by all, but he will always be remembered as a member of our class.

SENIOR AFTERTHOUGHT -

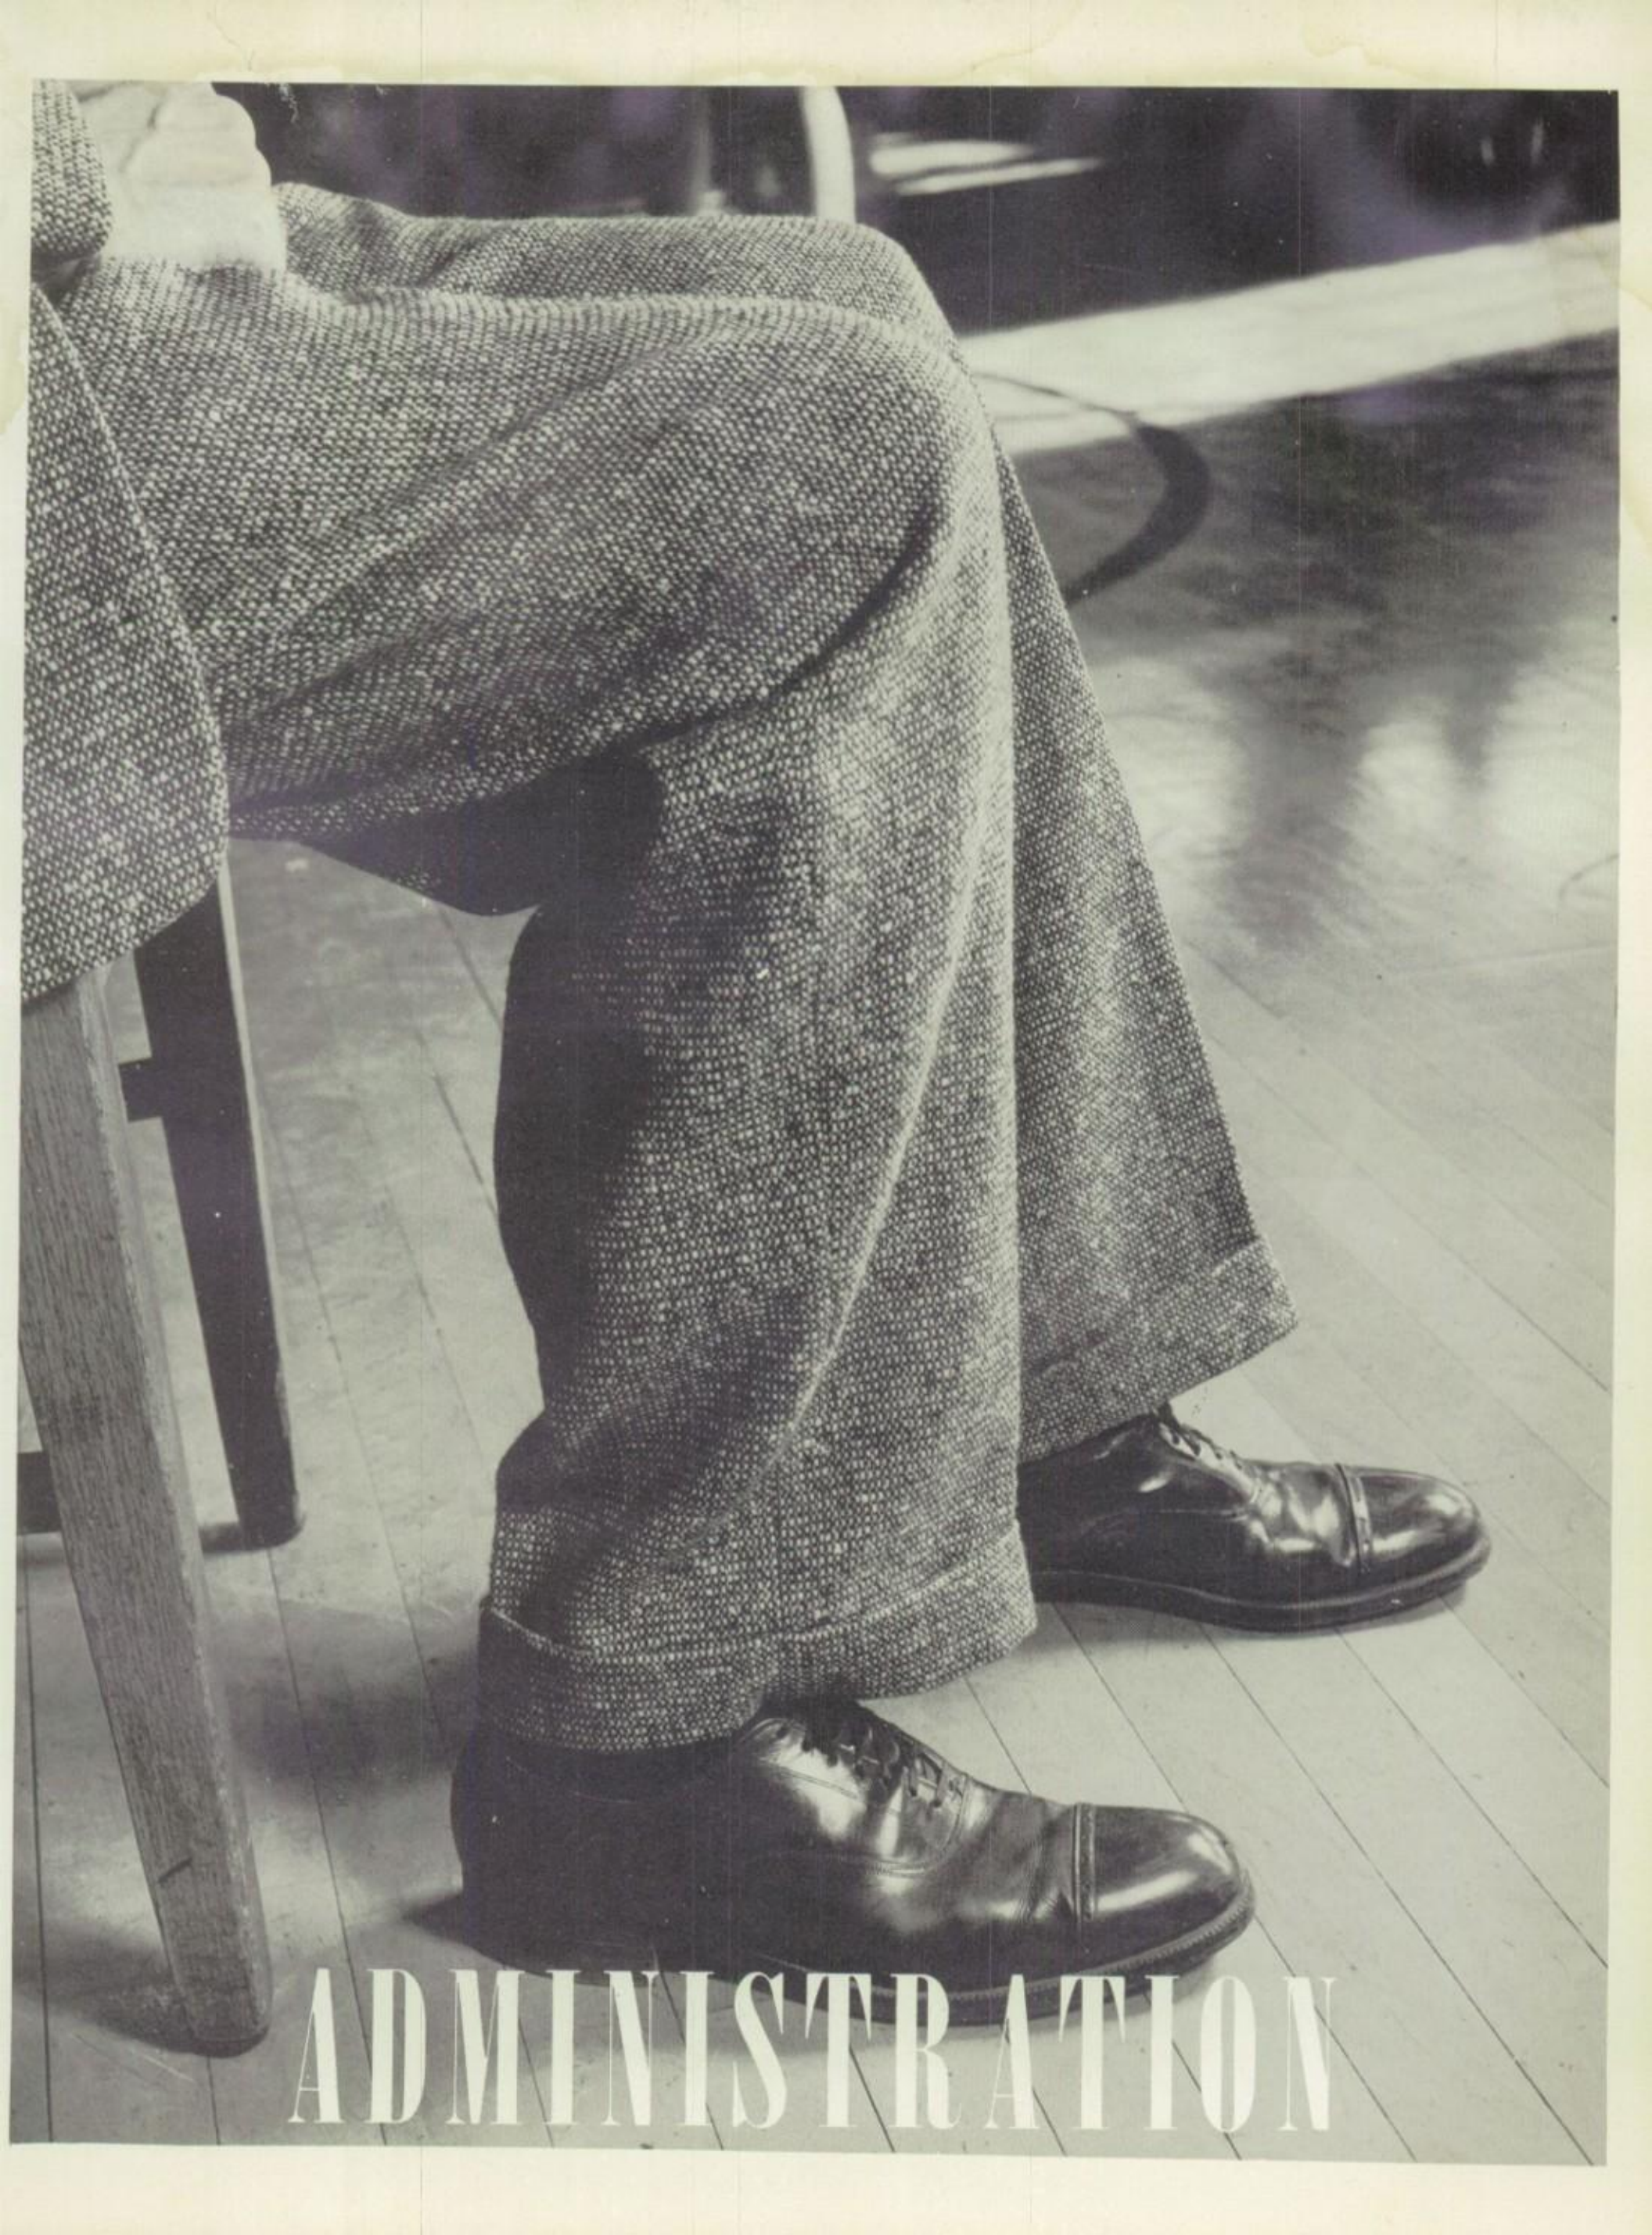

-Judy Jepsen

With much to learn,
With much to meet,
A new life begins,
And we take our seat-
Amongst our predecessors
Rich and poor, good and bad,
To make ourselves known
With the education we've had.
Much more to learn,
Much more to spurn,
We go on to cope
With ourselves and new hope!

SCHOOL SONG

Hail to Dwight Varsity
Cheer them along the way,
Rah, Rah, Rah,
Onward to victory
May they win again today,
We'll give a cheer for Dwight Varsity;
Long may they reign supreme
Shout till the echoes ring
For the glory of our team.

ADMINISTRATION

BOARD OF EDUCATION

MEMBERS OF THE BOARD OF EDUCATION

SEATED: Mr. Herman Ohlendorf; Mr. C.J. Ahearn, Jr., President; Mr. Harold Von Qualen. STANDING: Mr. William R. Steichen; Mr. Albert Mortensen; Mr. Albert Klehm; Mr. Richard C. Oughton.

MESSAGE FROM THE BOARD OF EDUCATION

The members of the board of education are elected on a non-political basis by the people of the school district and serve without compensation. The board exercises administrative functions in providing for necessary teachers, building, and for equipment. The superintendent serves as the board's executive officer and professional advisor. The consistency with which our public schools have fostered American traditions and the American concept of a government of free men is a tribute to the thousands of school board members who have functioned under our local autonomy while preserving national unity.

May the school year of 1956-1957 be one that each student will remember as a year profitably spent in pursuit of learning, in wholesome extra-curricular and social activities, and in the achievement of new friendships. If these goals have been achieved, then progress has been made toward becoming a good citizen of our great democracy.

ON SELF-RELIANCE

"A man should learn to detect and watch that gleam of light which flashes across his mind from within, more than the lustre of the firmament of bards and sages. There is a time in every man's education when he arrives at the conviction that envy is ignorance; that imitation is suicide.

"A man is relieved and gay when he has put his heart into his work and done his best; but what he has said or done otherwise shall give him no peace.

"Whoso would be a man, must be a nonconformist. Nothing is at last sacred but the integrity of your own mind.

"It is easy in the world to live after the world's opinion; it is easy in solitude to live after our own; but the great man is he who in the midst of the crowd keeps with perfect sweetness the independence of solitude."
